

Advertising technician (m/f/d) | Sign and light advertising manufacturer

Beschreibung

bei der Pat & Patachon GmbH

We are: Conceptualists, designers, printers, advertising technicians, installers and much more. We design & apply from A to Z and even invent entire brands. Best of all, we produce all our ideas in our own workshops. With us, everything is actually created under one roof. We are a colourful team of 25 employees.

Since 2005, we have specialised in vehicle markings, signboard fitting, and illuminated advertising. And, of course, car wrapping is also one of the tasks of a real Patachon.

Responsibilities / main tasks

- Fleet branding
- Car wrapping & window tinting
- Train signage interior & exterior
- Manufacture and installation of advertising systems

Language skills

German: B1 | "Advanced knowledge" – independent use of language

Qualifications / requirements

- ideally, you already have training as advertising technician (m/f/d) or a similar qualification
- you have experience in the area of vehicle wrapping from passenger cars to travel buses and installation work of any type
- good knowledge of German
